Dear Examiner Patel,

*new consideration  
also look at  
phillips ref.*

As we discussed in our telephone interview, attached please find proposed claim amendments to overcome the Khorsandian reference (claims 1 and 12) and Hinkle reference (claim 13). Please note that claim 8, directed to the slit embodiment, has been canceled. I will appreciate any comments that you can provide.

Best regards,  
Stephanie Mansfield
